Honeywell Economizer Training

Do Your Part for the Environment - And Your Bottom Line

Thursday, April 29

8 a.m. - 10 a.m. and 5 p.m. - 7 p.m.

Presented by Mark Bisbee

Looking for a natural way to save money?

Honeywell economizers don't heat or cool anything - they simply bring in cool, fresh, outdoor air to help cool a building naturally.

When outdoor conditions are favorable for cooling, the economizer brings in fresh, cool, outdoor air.

2-Hour Training Will Cover

- Economizer Theory
- Sequence of Operation
- Application and Component Selection
 - Dry Bulb vs. Enthalpy Control
 - Integrated Economizers
 - Check-out Procedures

Cost of Class is \$25

Attendees receive \$15 off their next Honeywell product purchase
Coupon expires 30 days after class
